WRITING

Dear readers,

Two days ago I went with the film "If you love me". I chose this film because I like romantic and drama. So this film is perfect! The film is very interesting and exiting.

The film tells us about the young girl. Her name is Linda. Linda live in a small town. She is very pretty and smart. She likes reading and drawing a lot. She want to get one day, she love "Linda" mad about "David" made "presents". All her friends have five or six presents by Linda. Also Linda very funny, happy and emotional.

But one day she met the young man Jacob. He was actually smart and he likes reading too. Of course, Jacob likes Linda and he say, "I like you, Linda." But Linda do not like boy because she person being alone. However, Jacob want's speak and walk with Linda. He say, "One day you'll love me."

But all well, Linda likes Jacob and they are happy. How I say, I like this film because it is so romantic and sentimental!

What should I say in conclusion? If you like romantic and melodramas, you should see "If you love me".
