**READING**

Time: 20 minutes

**Task 1.** Make one text putting the paragraphs A – E into the correct order from 1 to 5 in your answer sheet.

**Robbie's first business**

**A** One day, grandmother told him her secret way of making jam. Robbie made too much for the family to eat so he took it to other people in his street. He made more and more jam. It tasted so good that his parents' friends started buying it from him. Robbie added all his costs together then decided on a price.

**B** Robbie enjoyed art most at school. He liked Maths and Music too, but because it was hard for Robbie to spell words correctly or to understand texts, he didn't enjoy being at school. In English, he had lots of problems.

**C** Then he made a business plan on the computer with help from his dad. Now people can buy his jam at a weekly market. It tastes wonderful and it's healthy because Robbie uses grape juice, not sugar, to make it.

**D** "I'm still only 14 but I'm already a businessman!" Robbie laughs. "Last week I earned 93 euro because 87 different people bought 58 kilos of my jam, and a supermarket wants to sell it too. My career is in jam-making, I think!"

**E** So, when Robbie was 12, his parents decided he should leave school and study at home. There, he learnt about business and working on computers, and spent more time happily studying art, exercising and practicing on his violin. Robbie's grandmother started teaching him to cook too. Like his mother and aunt he really enjoyed doing it.

**Task 2** Now read the text again. For items **1-5** match the ending of each sentence (**A - F**) to its beginning. There is one extra ending you do not need to use.

**1** After he left school, Robbie had more time to play

**2** After he was 12 Robbie studied

**3** People can buy Robbie's jam

**4** Robbie had problems in his English lessons because

**5** Robbie's grandmother told him

**A** the secret way to make jam.

**B** at the market.

**C** an instrument.

**D** he couldn't spell very well.

**E** different sports.

**F** in his own home.
